Bachelor of Business Studies | Tribhuvan University

Bachelor of Business studies (BBS) is the four year degree program conducted by Tribhuvan University (TU), faculty of Management (FOM). It is an annual exam based program. The main objective of BBS is to develop students into dynamic managers having ability to handle responsibility in every sector. BBS course was designed by considering the fact that graduates will have to live in a very challenging and competitive environment. Therefore, through BBS course the students will have an opportunity to understand the knowledge of practical and reality based skills required to organize and manage the organizations of any form. The program will have specialization in General Management, Marketing Management, Finance Accountancy, and Management Science.

Objectives of Bachelor of Business Studies

The specific objectives of BBS program are as follows:

- Endow students the conjectural knowledge of business and administration to develop the broad management perspective in students.
- Bachelor of Business studies (BBS) develops students into competent and responsible managers by providing them the required skills, abilities and necessary attitude.
- Make students the catalyst of change in Nepalese society by motivating them to explore their entrepreneurial capabilities.
- BBS creates a necessary and passionate environment for higher studies so that students involve themselves in teaching, research, consultancy, etc. after graduation.

Admission Requirements in Bachelor of Business Studies

The eligibility criteria for candidates applying for admission to the Bachelor of Business Studies or BBS program are as follows:

- Students willing to apply for BBS program must have successfully completed the plus two (10+2) in business/ commerce or an equivalent course from HSEB (Higher Secondary School Board) or from Tribhuvan University (TU) or from any other University or Board recognized by TU.
- In order to join BBS, students from other faculty like Science and Arts must have studied Mathematics or Economics as a full paper at the intermediate level (10+2) program.
- Student must have studied full paper of English at the plus two level or equivalent program.
- As prescribed by the Faculty Board or campus concerned, students must have secured the minimum marks at their intermediate level. Generally, there are no such

tough criteria for getting enrolled in BBS program especially in Government colleges.

- Students should fulfill all criteria as required by the entry college.
- Some colleges even take entrance exam and the students are chosen according to merit basis.

Minimum General Requirements for Bachelor of Business studies

The minimum requirements for BBS 4 years are as follows:

- Excluding days taken for admission and examination, an academic year consists of 150 teaching days.
- The total instructional hours in an academic year will be 615 hours and additional hours may be required for field and practical works.
- A paper of 100 marks will have 150 lectures each of 50 minutes.
- There will be a minimum of 5 periods in each teaching day.
